Study Abroad

Each year hundreds of students participate in FAU approved study abroad programs around the world. Students can study overseas for a semester, academic year, or shorter term summer session or intersession period. Study abroad is open to all majors and students earn academic credit toward their degree.

Popular destinations for FAU students include: Ecuador, France, Greece, Italy, Japan, and Spain.

Average GPA of Study Abroad students: 3.2

Exchange Programs are a great way to study abroad. FAU currently has exchange agreements with the following countries.
